The Paloma

Plan 1, (Reverse Plan)

One-Story

4 Bedrooms/2½ Baths

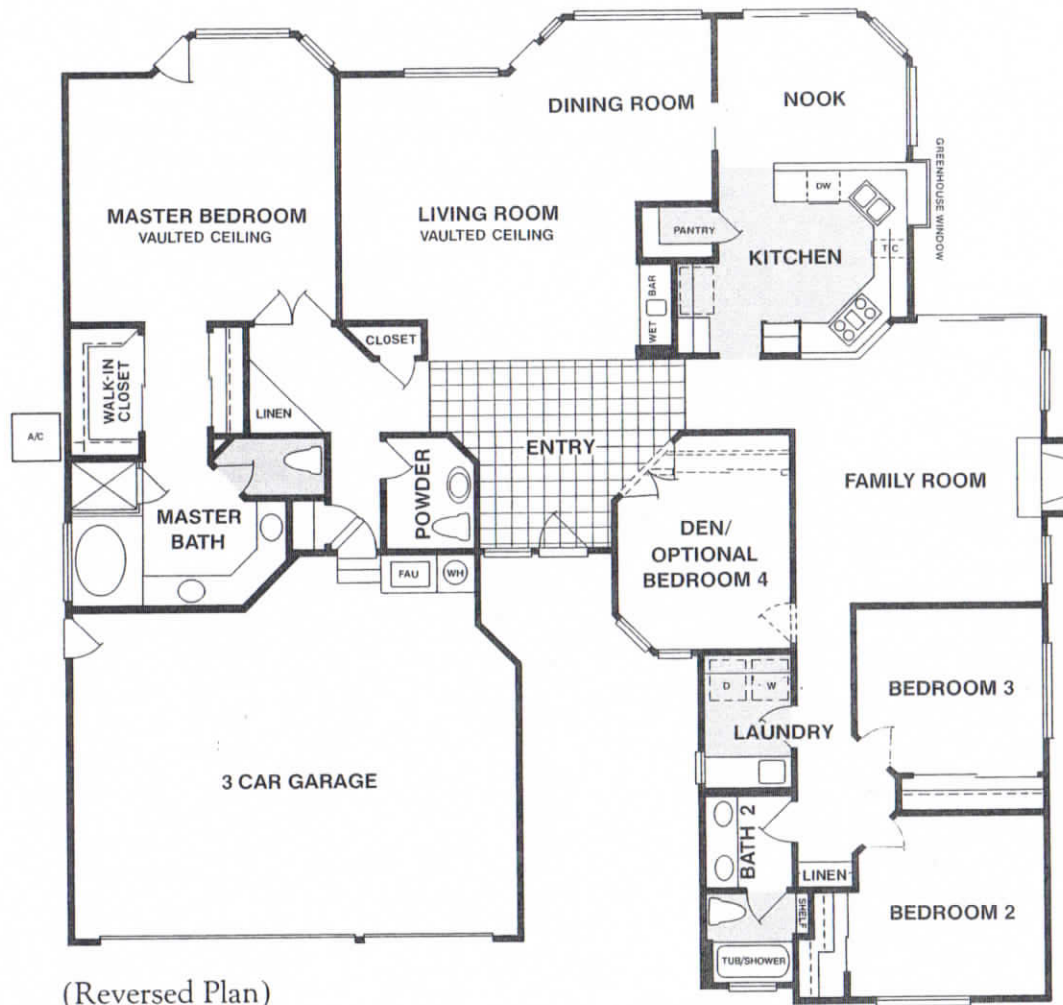

Optional Den

3 Car Garage

Approximately 2550 Square Feet

Impressively planned, a relaxed elegance is achieved in this single-story home with a rich mix of textures, including arched windows, angled walls, and soaring ceilings. The U-shaped gourmet kitchen and breakfast bar ending in a wall of windows make for picture-perfect morning meals. And, for the ultimate convenience, the laundry room has a built-in ironing board.

A deluxe master suite offers garden access and an especially luxurious collection of details. Two secondary bedrooms and den offer special detailing and flexibility to enhance any need.

(Reversed Plan)

Windows and room configurations are subject to change per elevation. Please see sales representative for further information. In a continuous effort to improve our product, Shea Homes reserves the right to change features, prices or plans without notice.
